**Spontex**  
PROFESSIONAL

A solution  
for every hand  
that works

**MAPA**<sup>®</sup>  
PROFESSIONAL

# A SELECTION OF CLEANING TOOLS MADE IN EUROPE

With more than 80 years of experience in manufacturing cleaning solutions, **Spontex Professional** specialises in products for wiping, scouring, washing and floorcare.

Spontex Professional has 4 production plants in Europe.

## SUSTAINABLE DEVELOPMENT

Our cellulose is made from natural products such as wood pulp, linen and cotton.

100% European production

Our Azella range, 100% biodegradable, is produced in Europe.

Our plants are certified ISO 9001

# PROTECTION FOR THE HAND BEYOND THE GLOVE

Mapa Professional is committed to offering companies innovative solutions for protecting the hands which meet users' needs.

Our brand is involved in the **health and safety** of users at their workplace.

Our offer meets requirements for **comfort and protection** for most risks in the professional environment.

## 1 Customer Engineering Department

To accompany you and answer your technical questions:  
[stc.mapaspontex@newellco.com](mailto:stc.mapaspontex@newellco.com)

## 2 R&D Centres

More than 60 engineers and technicians work to find innovative solutions.

## Integrated production

With 3 factories in the world guaranteeing production quality.

## 1 Application laboratory

With tests exclusive to MAPA Professional which reproduce actual conditions of use over and above those specified in the framework (Grip, durability, dexterity, contact heat).

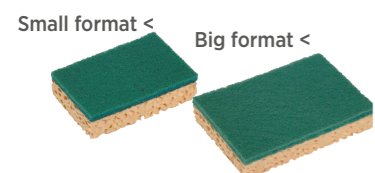

# Efficient cleaning tools made in Europe

Spontex Professional has selected a range of cleaning products made in Europe in order to meet the different needs of professionals.

## Scouring

### MULTI-PURPOSE SCRUBBING SPONGES

**Sponrex 52 & 74**

Dual function cellulosic sponge scourers for powerful effective cleaning on non delicate surfaces

**Sponrex 79 & 31**

Dual action sponge cellulose scourers For delicate surfaces

### ABRASIVE ROLLS

**Mercury 35 & 84**

Abrasive scourer roll, cuttable to required size, produced with grease-stop treatment to stop build up of fats and oils

## Washing & wiping

### TRADITION BORDERED SPONGES

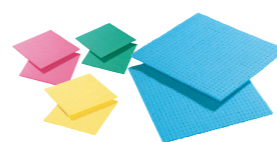

**Azella range**

Excellent absorption capacity (up to 20 times its dry weight) and easy to rinse. Machine washable at 90°C. Different sizes available.

100% biodegradable <

### SPONGE CLOTHS

**Spongyl**

Easy to handle and excellent absorption capacity. Colour coded for application areas.

## Floor care

### IMPREGNATED NON-WOVEN GAUZES

**Planet 67**

Non-woven gauzes of synthetic fibres for floor care. Ready to use and disposable, with easy fixing on a flat broom up to 60 cm wide.

# A selection of waterproof gloves for adapted protection

Thanks to its knowledge of the workstations and the associated risks, Mapa Professional has selected gloves that meet the requirements of protection and comfort in order to offer each operator the most appropriate protection.

## Not very aggressive environments

### SHORT WEAR

Nitrile <

**UltraNitril 454**

Hypoallergenic interior finish and non-slip relief for a good grip on slippery objects

### CONTINUOUS WEAR

Latex <

**Jersette 307**

Textile support providing ideal comfort during continuous wear

### INTERMITTENT WEAR

To avoid the risk of cross-contamination, Mapa Professional offers 5 coloured latex gloves adapted to each place of use\*.

These gloves are certified virus protection according to EN ISO 374-5.

Flocked interior finish and anti-slip relief perfectly adapted to less aggressive environments. Reduced plastic consumption thanks to reduced packaging.

\*The colour coding recommendation may vary depending on the sector and application as defined by the BICS organisation.

## Aggressive environments

### INTERMITTENT WEAR

Mix latex <

**Alto 405**

Fine touch and good perspiration absorption thanks to cotton flocking.

Nitrile <

**UltraNitril 492**

Excellent dexterity for optimum protection when handling chemicals

Latex <

**Jersette 300**

Ease of movement and comfort perfectly adapted to continuous wear

# Selection of mechanical gloves for public sector operations

Mapa Professional and Spontex Professional offer a range of protective gloves suitable for different types of work and for all types of environments (dry, wet, oily...) as well as associated cleaning tools.
